INTRODUCTION

JUST IN TIME LOGISTICS is a leading freight forwarding and clearing company committed to delivering seamless logistics solutions to its valued clients accross borders.

The company was established and inoporated in early 2024 and our mission is to simplify supply chain operations, ensuring goods move efficiently and reliably across borders.

With a strong network of global partners and a dedicated team of professionals, we provide customized solutions to meet the diverse needs of our clients.

Our Objectives

Expand Global Reach

Develop a stronger presence in key international markets to better serve our clients.

International Networks

Build robust relationships with carriers, customs authorities, and other stakeholders to streamline operations.

Leverage Technology

Invest in advanced technology for better tracking, communication and operational efficiency.

OUR MISSION

- To provide top-notch freight forwarding and clearing services that exceed client expectations.
- To leverage cutting-edge technology for real-time visibility and enhanced logistics management.
- To foster sustainable practices in global logistics.

VISION

To be the most trusted and innovative logistics partner, driving global trade with efficiency and reliability.

***Raising Standards
For Better Service
Delivery***

CORE VALUES

Integrity

We uphold the highest standards of honesty and transparency in all our operations.

Collaboration

We build strong relationships with partners and stakeholders to ensure seamless operations.

Excellence

We are committed to delivering top-quality services and continuous improvement.

FREIGHT FORWARDING

We ship goods for businesses and individuals across various industries via Air Cargo from the UK to SADC countries mainly Zimbabwe, Malawi & Kenya

AIR FREIGHT SHIPPING SERVICE

- Priority air freight for time-sensitive cargo.
- Consolidated air freight for cost-effective solutions.
- Handling of oversized or special cargo.
- Temperature-controlled shipping for perishables and pharmaceuticals.
- Real-time tracking and end-to-end visibility.

MORE FREIGHT SERVICES

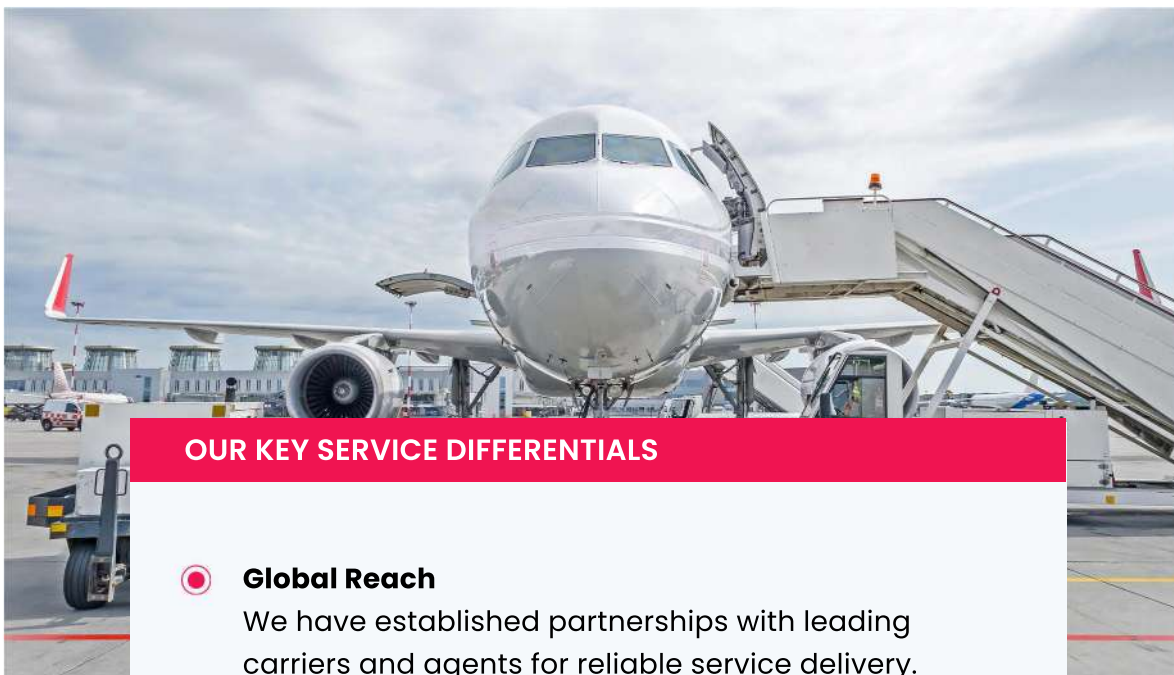

- **Packaging and labeling.**
Once goods reach our offices-/warehouse, we offer repackaging services to assist clients who do shopping from multiple shops or vendors
- **Insurance services**
Paid Insurance subscription for high value goods at owners request

CUSTOMS CLEARING SOLUTIONS

- **Import & Export Clearance**
We process all customs clearance processes at destination and source of shipment. We also assist with tariff classification and duty management.
